Maximum initial battery voltage (measured without a workload) is 20 and 60 volts. Nominal voltage is 18 and 54. All amp hours (Ah) shown with 60V MAX* products are measured in 20V MAX* mode. The DEWALT PERFORM & PROTECT™ line of Power Tools is designed to provide a high level of one or more of the following: control, dust containment, or low vibration, without sacrificing performance. Terms and Conditions: Offer valid only at available participating locations on qualifying products purchased 09/01/2024 through 09/30/2024, while supplies last. Amounts on flyer, if any, do not include taxes. Offer subject to change without notice. Products may differ from that pictured. Does not affect function. The descriptions, specifications and other claims made with respect to the products featured in this advertisement are made as of the date of printing. Stanley Black & Decker retains the right to discontinue production of or make changes to any of its products without notice. Product packaging and product manuals should be consulted for current descriptions, specifications and other claims relating to Stanley Black & Decker products. Accessories, if any, pictured with power tools, including but not limited to blades and wheels, may be sold separately; please see store for details on package contents. © 2024 Stanley Black & Decker. The following are trademarks for one or more DEWALT power tools, accessories, anchors and concrete adhesives: The yellow and black color scheme; the "D"-shaped air intake grill; the array of pyramids on the handgrip; the kit box configuration; and the array of lozenge-shaped humps on the surface of the tool. All rights reserved. "BLACK & DECKER", "BLACK+DECKER", and the BLACK & DECKER and BLACK+DECKER logos and product names are either registered trademarks or trademarks of "The Black & Decker Corporation".
